She took her first company to rank in the Inc 500 list of fastest growing companies in the United States.

Dr. Monikah was born and raised in the Dominican Republic, studied in Phillips Academy Andover and University of Miami before earning her MBA and two doctorate degrees in Psychology and Comparative Religions. In other words, she just rolled out of bed this morning.

As an executive coach and leadership expert, Dr. Monikah has authored several books, peer-reviewed academic articles and designed many coaching programs. She has spoken to organizations like Charles Schwab, Office Depot, Meryll Lynch, BMW, and TNT Express Worldwide. She is an avid reader, can speak five languages, and out-quote anybody on movie lines. A 12 year cancer survivor, Dr. Monikah believes that the most important decision you'll ever make in your life is whether you live in a friendly or unfriendly universe. THAT decision not only informs how you view the world and the people in it, but all other decisions come from that sponsoring thought. Ladies and gentlemen, help me welcome Dr. Monikah Ogando!
